

THE NDIS & BEYOND:

Working through Change

CALL FOR PAPERS

Following the success of our first virtual conference, NDP is pleased to present another exciting opportunity. Learn, develop and connect with other disability practitioners with just a click of a mouse!

The conference will feature streams suited to the differing NDP membership categories, and provide opportunities for participants to view live and pre-recorded webinar information on working with the NDIS.

This event will be **FREE** for all NDP members. Non-members can register for just \$60 (30 day access.) We anticipate that most presentations will be pre-recorded and finalised at least two weeks prior to the event date.

Expressions of Interest (EOIs) to present at this conference are invited. Presentations will ideally focus on practical applications and feature case studies to support discussions. Presentations should be no longer than 45 minutes.

Further information is provided in the attached Expression of Interest form. Completed forms must be emailed to info@ndp.org.au by 5pm, **Monday 3rd September 2018**.

Presenters chosen to participate in the virtual conference will receive a complimentary conference registration and 30-day access.
