

# STRATEGIC PLAN

## OUR VISION

To build and maintain a community of **capable, professional** and **engaged** individuals, committed to delivering **high quality supports** and life opportunities for people with disability.

## OUR PURPOSE

To **inspire, develop** and **support** the Australian disability workforce. We do this by **informing, recognising, connecting** and **resourcing** our members.

We are committed to encouraging the highest standards of practice.

We continually strive to inspire our members to be the best they can be.

We champion the rights of people with disability.

## OUR VALUES

We strive to be inclusive, embracing the diversity of our community of members.

We recognise that members are our most valuable asset.

## STRATEGIC DIRECTIONS

Attract and maintain a diverse membership base

Provide members with tailored information and resources to effectively deliver high-quality supports

Strengthen the learning culture amongst disability practitioners

Raise the professional profile of disability work

Raise the voice of the disability workforce

Strengthen the capacity of NDP to achieve its purpose
